## **General Approach**

The aim of this Internet Acceptable Use Policy (AUP) is to ensure that pupils will benefit from the learning opportunities offered by the school's internet resources in a safe and effective manner.

Internet use and access is considered a school resource and privilege. If the school AUP is not adhered to this privilege may be withdrawn and appropriate sanctions will be imposed.

This Acceptable Use Policy applies to pupils who have access to and are users of the internet in CBS Primary.

Misuse of the internet may result in disciplinary action, including written warnings, withdrawal of access privileges, detention and, in extreme cases, suspension or expulsion. The school also reserves the right to report any illegal activities to the appropriate authorities.

CBS Primary will deal with incidents that take place outside the school that impact on the wellbeing of pupils or staff under this policy and associated codes of behaviour and anti-bullying policies. In such cases CBS Primary will, where known, inform parents/carers of incidents of inappropriate online behaviour that take place out of school and impose the appropriate sanctions.

This policy and its implementation will be reviewed annually by the following stakeholders:

- Board of Management, teaching staff, and pupils.

This policy has been developed by a working group including: Principal, Deputy Principal, teachers, pupils, parents/carers, and representatives of the Board of Management.

Should serious online safety incidents take place, Sinéad Herlihy (Deputy Principal) should be informed.

The implementation of this Internet Acceptable Use policy will be monitored by Sinéad Herlihy (Deputy Principal).

## **Content Filtering**

CBS Primary has chosen to implement the following level on content filtering on the Schools Broadband Network:

- **Level 5:**  
This level allows access to millions of websites including games and YouTube and allows access to personal websites category, and other similar types of websites, such as blogs but blocks access to websites belonging to the personal websites category and websites such as Facebook belonging to the Social Networking category.

Pupils taking steps to by-pass the content filter by using proxy sites or other means may be subject to disciplinary action, including written warnings, withdrawal of access privileges, detention and, in extreme cases, suspension or expulsion.

CBS Primary implements the following strategies on promoting safer use of the internet:

### **Web Browsing and Downloading**

Pupils will report accidental accessing of inappropriate materials in the classroom to their teacher.
