Ms. Owens 3rd Class
Week 4
1st – 5th February 2021

Charleville CBS Primary

Hello boys,

It was lovely to see and chat with you all during our class video calls last week. I hope you all enjoyed getting see and chat with your classmates.

Well done to you all for all the wonderful work you are doing. It is wonderful to see how hard you are working.

Please remember that this work schedule is just a list of the topics that we will be working on during the week. It is very important that you log into Seesaw every day and watch the videos which explain and teach this work.

- The Maths, English and Gaeilge videos and activities are uploaded on Seesaw every day to explain the new maths topics and the new Irish and English words and reading.
- The Geography, History and Science activities will also be assigned on Seesaw during the week.

This week we are also going to start **Flexi Friday**, where there will be a choice board of activities to choose from on Friday, including PE, Music, Drama and Art. You can choose which activities you would like to complete from the choice board.

Please complete the work at a time and in whatever way works best for you and your family.
