2021

Charleville CBS Primary

Note from your teacher:

Hello boys,

I hope you all had a nice weekend. This week we enter a new season – Spring. As we begin week 4 of online work I would like to thank you all for the excellent work you have submitted . Well done to everyone who has been able to access Class Notebook on Teams. Thank you to everyone who was able to take part in the online classes last week also. We will have two online classes this week using Teams again, I will notify you of the times for these via email.

On Monday 1<sup>st</sup> February Br Ryan will be running Lichess again for anyone who would like to play chess online against another member of the class. This will take place at 11 am. All you need is your username and password for Lichess and you will be able to play as we had been doing in class. I know some boys were unable to access the page last week so I have sent out an email detailing how to access Lichess.

**Class Notebook is working very well I have received a lot of quality work. Please use Class Notebook to submit your work. You may use Outlook (email) for communication and clarification purposes. Tutorial videos for using Class Notebook can be found on-**
