

## School work at home for Mr. Cagney's Class

Week 1 11<sup>th</sup>- 15<sup>th</sup> January  
2021

Charleville CBS Primary

Note from your teacher:

Hello boys,

I hope you all had a nice Christmas and enjoyed your time off. Unfortunately we are unable to return to school and continue with the excellent work you all had been doing before Christmas in the classroom. However we will begin online learning on Monday 11<sup>th</sup> January similar to what you would have done last year when schools were closed.

This year you are a lot more familiar with online learning and we have done a lot of computer activities in 5th Class such as Outlook, Word, Teams and Kahoot.

Remember your usernames and passwords are written in the back of your homework diary.

You have the same username and password for Khan Academy and Read Theory

To log onto Outlook use your email address and the password which is Mine followed by 4 digits – eg Mine0123

If you have any questions please email me [acagney@charlevillecbsprimary.ie](mailto:acagney@charlevillecbsprimary.ie)

It is unfortunate that we cannot return to the classroom, however I have prescribed the following work for you to try at home this week. This work can be completed over the course of the week and if you are unsure of what to do please email me.

Stay safe and try your best this week with activities at home.

Mr. Cagney
