

School work at home for Mr. Hourigan's Class

Week 3 January 2021

Charleville CBS Primary

Hello boys,

I hope you are getting on well as we approach our third week of home learning. I hope you are making the most of the extra time you get to spend with your families.

I can see little green buds forming on the plum trees in my garden. It is a great sign that Spring is on the way and the days are getting longer!

Again, I would recommend spreading the work out over the week rather than doing it all in one day.

Just to remind you that the Teams **Notebook** is up and running. It is a great place to share your work with me and get some feedback. I can also share digital materials there that will help you.

All you need do is:

1. log in to Teams >
2. go to Notebook >
3. Click 'content library'
4. and then upload your work into each section there e.g. English, Irish etc. Art can be uploaded to the 'Other' section if you want to share any drawings you have done.

This video might help refresh your memory:

<https://www.youtube.com/watch?v=HxBVOADPvro&feature=youtu.be>

You can type your work and send it to me

or

You can take a picture of your work and send it to me...both ways are fine 😊

Remember:

1. Plan out your day. Make a checklist. E.g. early breakfast, school work, play outside, clean the dishes etc.
2. Keep up the positive thinking and positive mindset.
3. Keep up the random acts of kindness around the house.

We will have a class Teams **video call** at **2pm this Wednesday 27th January.**

If the links below do not work, try copying and pasting the link into your internet search bar.

There is a Birdwatch Ireland link in the science section of your work. It is a link to a 40 minute video on bird identification by Jim Wilson from Cobh, Co. Cork. **I would highly recommend it for you and the whole family to watch.**

If you have any problems or questions, please email me at rhourigan@charlevillecbsprimary.ie or message me on Teams.

Keep up the good work,

Mr. Hourigan
