

## School work at home for Mr. Millane's Class

Week 2 18<sup>th</sup> January 2021

Charleville CBS Primary

Note from your teacher:

Hello boys. I hope you all had a really nice weekend. I was delighted with all the excellent work I received last week. Your computer skills have improved so much since September which is great to see.

Well done to everyone who joined the video call on Wednesday. It was great to see you all and I'm sure you all enjoyed seeing each other. There will be two video calls this week and I will send the links the boys outlook the night before. As discussed yesterday, Br. Ryan will be organising an online lichess tournament for the boys in the class on Monday at 10am. The boys will be playing against each other like they had done in school. They can log in at <https://lichess.org/> where they use the same username and password as school. If you have any difficulty logging in please contact me and I will do my best to help.

As discussed during the video call on Wednesday, Class Notebook has been set up and the boys can use the notebook to submit their work. The boys and parents can still e mail me if they have any questions regarding the Notebook. You can find a video at <https://www.youtube.com/watch?v=HxBVOADPvro&feature=youtu.be> which will help explain how to use it. I will also help show the boys during the video call this week but please encourage them to try and use it and I will answer any questions during the call. Once you have work uploaded could you send me a quick e mail just to tell me that you have work sent in so I can correct it and return it.

If you have any questions regarding the notebook, homework or need assistance in anyway, please contact me at [bmillane@charlevillecbsprimary.ie](mailto:bmillane@charlevillecbsprimary.ie)

RTE Home School Hub is continuing again from 10am to 12pm daily and there will be lots of useful lessons covered so I hope you all tune in and watch some of the lessons each day.

Continue with all the work you are doing boys and I look forward to seeing all the great work over the course of the week.

Activity E Page 45- Choose there, their or they're to complete each sentence.  
Activity C Page 44- Choose the most suitable word to complete each sentence (Look up any words you are unsure of)

Use your dictionaries to look up the words underlined in activity B. Write or type out the definitions, and then try activity B Page 44

Read through the story and try activity A & D. Use the finding information strategies we have used in school

- Underline the key words in the question
- Look for the key words in the story
- Choose the correct answer
- Check to make sure your answer is correct

Ideally you should try and do one Reading Zone exercise per day which would spread the work over the week, but it's up to you how you spread out the work.

Spellbound Week 15- Try and learn a block each day and complete the written activities during the week.

You can use the website <https://www.spellingtraining.com/> to practice your block each day. You type the block into the list and you will see green buttons underneath the list where you can practice a spelling test or other various games.

Read Theory- You have all done great work on Read Theory since September so I would love if you could continue and try and complete a quiz each day <https://readtheory.org/auth/login>

Page 32 H- Look at the pictures beside each sentence and answer the questions. Use the bottom of page 137 to help you understand the meaning of each verb. The first one is done for you.

Page 31 D- Use the back of your book or Gaeilge hardback to help with the meaning of each verb in the white box. Use the verbs to fill in the blanks 1- 6
