

School work at home for Mr. Neenan's Class

Week 3

January 25th to 29th 2021

Charleville CBS Primary

Hello boys,

We are in to our third week of “staying at home”. I hope ye are all keeping well and managing the work. Again I was delighted to see so many of you last Wednesday on the video call.

Similar to the setup last week, I will give you work for the week ahead. If you have any problems or questions, please email me at tneenan@charlevillecbsprimary.ie

The Teams **Notebook** is up and running. It is a great place to share your work with me and get some feedback. I can also share digital materials there that will help you.

All you need do is:

1. log in to Teams >
2. go to Notebook >
3. Click on your name and click ‘content library’
4. and then upload your work into each section there e.g. English, Irish etc. Art can be uploaded to the ‘Other’ section if you want to share any drawings you have done.

This video might help refresh your memory:

I would recommend spreading the work out over the week rather than doing it all in one day. Once you have your school work done for the day, you can enjoy your time off then 😊

I would like to remind you to log on to Readtheory, Khan Academy and also to log on to Lichess where you can have fun practicing your chess skills. I’ve logged on to Lichess and played against the computer... not always successful but good fun.

A few little tips for you:

1. Plan out your day. Make a checklist for yourself and tick your tasks off as you go along. This will give you a sense of achievement at the end of the day e.g.
 - a) School work ✓
 - b) Write down 5 things I am grateful for ✓
 - c) Exercise/play in the fresh air ✓
 - d) Tidy my room ✓
 - e) Clean the dishes ✓
 - f) Play cards ✓

2. Keep up the positive thinking. E.g. if it is raining, have a cup of tea and admire the rain!
3. Keep up the random acts of kindness around the house.

We hope to have another class Teams video call at 2pm this Wednesday (27th January). It would be great if you could make it so you can all see each other and have a chat.

Do you remember when on that video call last Wednesday, I promised I was going to put up a link from Birdwatch Ireland. I have put it into the science section of your homework. It is a link to a 40 minute video on bird identification by Jim Wilson from Cobh, Co. Cork. **I would highly recommend it for you and the whole family to watch.**

Keep up the good work boys,

Mr. Neenan.

Despite being killed by a vehicle it was in remarkably good condition. I brought it home and took photographs and measurements. From it's plumage it is a male buzzard. It is just slightly smaller than a fully grown adult. You can see images of this buzzard on Teams. Check it out on Teams 😊</p> <p>Please Google: <i>Woodland Trust Bird song identification: common songs and calls</i> to be able to identify a small number of out feathered neighbours. https://www.woodlandtrust.org.uk/blog/2019/04/identify-bird-song/ I'm sure you'll be able to see and hear a robin.</p>
