

School work at home for Mr. Neenan's Class

Week 4

February 1st to 5th 2021

Charleville CBS Primary

Hello boys,

We are now in to our fourth week of “staying at home”. I hope ye are all keeping well and managing the work. Again, I was delighted to see so many of you last Wednesday on the video call.

Similar to the setup last week, I will give you work for the week ahead. If you have any problems or questions, please email me at tneenan@charlevillecbsprimary.ie

The Teams **Notebook** is up and running. It is a great place to share your work with me and get some feedback. I can also share digital materials there that will help you.

All you need do is:

1. log in to Teams >
2. go to Notebook >
3. Click on your name and click ‘content library’
4. and then upload your work into each section there e.g. English, Irish etc. Art can be uploaded to the ‘Other’ section if you want to share any drawings you have done.

This video might help refresh your memory:

<https://www.youtube.com/watch?v=HxBVOADPvro&feature=youtu.be>

I would recommend spreading the work out over the week rather than doing it all in one day. Once you have your school work done for the day, you can enjoy your time off then 😊

I would like to remind you to log on to Readtheory, Khan Academy and also to log on to Lichess where you can have fun practicing your chess skills. I’ve logged on to Lichess and played against the computer... not always successful but good fun.

A few little tips for you:

1. Plan out your day. Make a checklist. E.g. early breakfast, school work, play outside, bird watching, clean the dishes etc.
2. Keep up the positive thinking and positive mindset.
3. Keep up the random acts of kindness around the house.

We hope to have another class Teams video call at 2pm this Wednesday (3rd February). It would be great if you could make it so you can all see each other and have a chat.

I am putting another link to a video from Birdwatch Ireland, Cork Branch. This is also a 40 minute video on how and what to feed the birds, by Jim Wilson from Cobh, Co. Cork. **I would highly recommend it for you and the whole family to watch.**

Keep up the good work boys,

Mr. Neenan.

Science	<p>I am recommending a second video link below from Birdwatch Ireland, Cork Branch. This video is all about attracting and feeding garden birds. https://drive.google.com/file/d/1LT-I9VlIEH2G8paeMFk_sELPQIjKi5tR/view?usp=sharing</p> <p>I would highly recommend you click on this link from Birdwatch Ireland, Cork Branch and watch the video. Share it with members of your family. This will really help you to identify and recognise the common everyday birds in your garden. This resource will give you a skillset that will last you a lifetime, free of charge! I might even ask you a few questions based on what you have learned from the video next Wednesday on our video call. Enjoy.</p> <p>https://drive.google.com/file/d/1DjrE972jGFFQn7TKXAqS_1qR2rJANIYX/view?usp=sharing</p>

	<p>I found a buzzard (bird of prey) on a country road one day recently. Despite being killed by a vehicle it was in remarkably good condition. I brought it home and took photographs and measurements. From it's plumage it is a male buzzard. It is just slightly smaller than a fully grown adult. You can see images of this buzzard on Teams. Check it out on Teams 😊</p> <p>Please Google: <i>Woodland Trust Bird song identification: common songs and calls</i> to be able to identify a small number of out feathered neighbours. https://www.woodlandtrust.org.uk/blog/2019/04/identify-bird-song/ I'm sure you'll be able to see and hear a robin.</p>
