

## School work at home for Ms. Byrne's 2nd Class

Week 4 February 2021

Charleville CBS Primary

Hello Boys,

Well done on all the great work you've done so far. Ye really are doing such a great job. Even if you don't get all the activities done each day – just try your best. That's all I want. It was lovely to see all you're faces on our class call last week. We'll be having our class call on Monday and Thursday at 11 o'clock.

This week I would like you to log on to some great resources online- [studyladder](#) and [scoinet](#). I have assigned them as part of your work. I will also have tutorial videos to show you how to use them.

Remember, it is so important to read every day and to practice your tables daily when you are learning from home. Try and get at least 10 minutes a day. 😊

*Also, I have added another easy recipe that you can try at some stage this week. Don't worry if you don't have time to make them but baking is a fun activity, a great life skill and very tasty. 😊*

Don't forget, if you want some more practice in English and Maths, here are some helpful websites to log into.

**English:**

[www.studyladder.com](http://www.studyladder.com) . I can track and see how well you're doing and what activities you have completed.

I'm looking forward to seeing your wonderful work.

I miss you all.

Stay safe and remember to wash your hands,

Ms. T. Byrne
