

School work at home for Ms. Owens 3rd Class

Week 1 January 2021

Charleville CBS Primary

Hello boys,

I hope you and all your family are keeping safe and well. I hope you all had a lovely Christmas and received lovely surprises from Santa.

As the school will be closed until the 1st of February the plan going forward is that I will prepare and assign work on a weekly basis and you can complete this work at whatever time and in whatever order works best for you and your family. You can then upload the work to seesaw so that I can see all the wonderful work that you are doing.

You will also get to hear me on Seesaw as Ms. O Leary and I will be recording audio lessons for Gaeilge and English reading. We will also upload recorded maths lessons on seesaw where we will explain and demonstrate some of the new maths topics.

Please log on to Seesaw every day to check for announcements and to upload your work.

Seesaw has a new feature which allows us to print our worksheets if we wish to do so.

If you click the three dots in the bottom right corner of a task, you can click the option 'print'.

You can then complete your worksheet and upload a picture of your work to Seesaw.

If you'd rather enter text boxes/write on worksheets using the Seesaw app, that is also perfect.

Remember to click the green tick to save and submit your work.

If you have any questions about any of the work you can e-mail me lowens@charlevillecbsprimary.ie

or you can send me a comment on Seesaw (you each have your own private log in details so all the uploads and comments are private).

I hope this situation won't continue for too long and we will get to see each other again very soon but until then, keep safe and we will all do our best using Seesaw.

God Bless and take care,
Ms Owens
