Not Lost

Henri and Jules are working on a boat. They are sailors. One day, Henri asks Jules to lend him his beautiful silver watch. - Yes, if you want, my friend, answers Jules, but don't lose it, because silver watches are very expensive. Three days later, while Henri bends down to pick up something, he has the misfortune to let Jules' beautiful watch fall into the sea. He goes to find his friend and asks him: Jules, can we say that something is lost when we know where it is? No, answers Jules, if we know where it is, we cannot say that it is lost. Well! Your watch is not lost, because I know where it is; it is at the bottom of the sea.

Not Lost

Henri e Jules trabalham em um barco. Eles são marinheiros. Um dia, Henri pede a Jules que lhe empreste seu lindo relógio de prata. - Sim, se quiser, meu amigo, responde Jules, mas não perca, porque relógios de prata são muito caros. Três dias depois, enquanto Henri se abaixa para apanhar alguma coisa, tem o azar de deixar cair no mar o lindo relógio de Jules. Vai procurar o amigo e pergunta-lhe: Jules, podemos dizer que algo se perdeu quando sabemos onde ele está? Não, responde Jules, se sabemos onde ele está, não podemos dizer que está perdido. Boa! Seu relógio não está perdido, porque sei onde está; está no fundo do mar.

- (a) Onde Jules e Henri trabalham?
- (b) Que infortúnio sobrevirá a Henri?
- (c) O que Henri pergunta a Jules?
- (d) Onde está o relógio de Jules?
- (e) O que você acha que Júlio diz quando fica sabendo que seu lindo relógio está no fundo do mar?
