

School work at home for Mr. Millane's Class

Week 5 7th February 2021

Charleville CBS Primary

Note from your teacher:

Hello boys. I hope you all had a really nice weekend. All the boys have been working very hard for the past number of weeks which is great to see. Some of you are doing very well on the class notebook and seem to have it mastered! If anyone has any questions or is unsure of anything regarding the notebook please send me an e mail and I will try to help.

<https://www.youtube.com/watch?v=HxBVOADPvro&feature=youtu.be>

This is a video that I have previously shared which will help if you are stuck on something.

Once you have work uploaded could you send me a quick e mail just to tell me that you have work sent in so I can correct it and return it.

Well done to everyone who joined the video call on Wednesday and Friday. I hope you enjoyed the PE class and the quiz. We will change one of the days for the video call this week. We will have one Monday at 12 o'clock where I will explain the work to the boys for the week and go through any questions they may have.

There will be a chess tournament on Monday at 10 for the boys in the class.

Lichess: Log into Lichess before 10 am on Monday. Use your **username** and **password** for Office 365. On the top of the page go to **Community**. Then click on **Teams**. Then click on **Room7CBS**. Then Click on **Dufresne** in **Tournaments**. Don't forget to press the green **Join** button.

If you are late for the first games you can still join in. You will get a half mark for the game you've missed.

Br. Ryan will be organising an online lichess tournament again for the boys in the school on Thursdays at 4pm. Below is the note from Br. Ryan

If you want to play in a Chess Competition every Thursday afternoon at 4pm then you need to join <https://lichess.org/team/charleville-cbs-primary-afterschool-club> Click the link or go to Lichess. Click Community. Click Teams. Search for Charleville CBS Primary Afterschool Club team. then click the green join button. I will have to check to make sure that you are from our school then I will let you join. So you won't be in straight away.

I have broken maths, Irish and English into suggested activities for each day. You can follow this format if it is easier but there is no pressure to follow it if a different way works for you. I will upload the answers to mental maths and Busy at Maths to "Teams" the following day.

If you have any questions regarding the notebook, homework or need assistance in anyway, please contact me at bmillane@charlevillecbsprimary.ie

RTE Home School Hub is continuing again from 10am to 12pm daily and there will be lots of useful lessons covered so I hope you all tune in and watch some of the lessons each day.

Continue with all the work you are doing boys and I look forward to seeing all the great work over the course of the week.
