

School work at home for Mr. Hourigan's Class

Week 5 February 2021

Charleville CBS Primary

Hello boys,

I hope you are all getting on well. It was great to see so many of you on the video call this week 😊
We are into our second week in February now which means we can really notice the days getting longer, the air is getting fresher and we have more time to play outside ⚽

Reminders:

- I share some useful and helpful materials on the Teams Notebook **Content Library** so keep an eye out there.
- Epic: I sent you details on Teams for logging in to Epic to read some wonderful books online. You can also listen to audiobooks there!
- Lichess: a lot of you are taking part in Lichess at the moment. We will be running a tournament soon. Keep brushing up on the skills! If you would like to play and haven't received login details, please email me.
- As always, spread out the work out over the week rather than doing it all in one day. You can type your work or write your work. Send it to me on Teams or by email.

Tips:

- Plan out your day. Make a checklist. E.g. early breakfast, school work, play outside, bird watching, clean the dishes etc.
- Keep up the positive thinking and positive mindset.
- Keep up the random acts of kindness around the house.

We will have a class Teams **video call** at **2pm this Wednesday 10th February.**

If the links below do not work, try copying and pasting the link into your internet search bar.

If you have any problems or questions, please email me at rhourigan@charlevillecbsprimary.ie or message me on Teams.

Up Limerick!
