

# School work at home for Mr. Neenan's Class

Week 6

# February 15<sup>th</sup> to 17<sup>th</sup> 2021

**Charleville CBS Primary** 

# Hello boys,

We are now in a short week having reached the milestone of Mid-term. We have only three days schoolwork this week. I am only assigning Maths, English and Irish for those three days. Please complete the work assigned and submit it to me, as you were doing for the last few weeks. I am including some **fun activities** in your History, Geography/Art and Music to do. Make these activities enjoyable and I am looking forward to seeing the results of your work. Once more, I was delighted to see so many of you last Wednesday on the video call.

Similar to the setup last week, I will give you work for the week ahead. If you have any problems or questions, please email me at <u>tneenan@charlevillecbsprimary.ie</u>

If some **links** in the subjects below do not work, try copying and pasting the link into your internet search bar.

The Teams **Notebook** is up and running. It is a great place to share your work with me and get some feedback. I can also share digital materials there that will help you. All you need do is:

- 1. log in to Teams >
- 2. go to Notebook >
- 3. Click on your name and click 'content library'
- 4. and then upload your work into each section there e.g. English, Irish etc. Art can be uploaded to the 'Other' section if you want to share any drawings you have done.

This video might help refresh your memory:

https://www.youtube.com/watch?v=HxBVOADPvro&feature=youtu.be

I would recommend spreading the work over the three days rather than doing it all in one day. Once you have your school work done for the day, you can enjoy your time off then  $\bigcirc$ I would like to remind you to log on to Readtheory, Khan Academy and also to log on to Lichess where you can have fun practicing your chess skills. I've logged on to Lichess and played against the computer... not

A few little tips for you:

always successful but good fun.

1. Plan out your day. Make a checklist. E.g. early breakfast, school work, play outside, bird watching, tidy your room.

- 2. Keep up the positive thinking and positive mindset.
- 3. Keep up the random acts of kindness around the house.

I am going to break with routine this week and hold the Teams video call at 2pm this **Tuesday (16<sup>th</sup> February)**. It would be great if you could make it so you can all see each other and have a chat. There are still two videos from Birdwatch Ireland, Cork Branch in the science section of your schoolwork. I know some of you have yet to watch them. I would highly recommend them for you and the whole family to watch and enjoy.

Keep up the good work boys,

Mr. Neenan.

History	Do ye remember boys when we were doing the story about Nana May in the Golden Harp, You rang your nanas to find out what jobs they worked at when they were young? Well I'm asking you to do something similar now. Ring a grandparent or an elderly person you know and ask them about old times (with your parents' permission) - What was school like? - What games did they play in yard? - What food did they usually eat? - What food did they do for the teacher? - What school resources did they use? - What school resources did they use? - What did their classroom look like?
Geography	<ul> <li>I would love to see what you would do with this activity!</li> <li>Make a nature art book, by doing the following</li> <li>Draw pictures of the birds/animals and plants you see</li> <li>You can use clipart to post what you see in your garden such as leaves and feathers</li> <li>Trace around things with a pencil, like leaves etc.</li> <li>Attach on to the page, pictures of nature or stories about nature you find interesting.</li> <li>Cut out pictures or images of nature from magazines/newspapers than you no longer need at home (with parents' permission)</li> <li>Please use: Unit 3 and Unit 5 from your Small World Geography and Science Book to help you.</li> </ul>
Science	I am recommending a second video link below from Birdwatch Ireland, Cork Branch. This video is all about attracting and feeding garden birds. <u>https://drive.google.com/file/d/1LT-I9VIIEH2G8paeMFk_sELPQIjKi5tR/view?usp=sharing</u>

	<mark>I would highly recommend you click on this link from Birdwatch Ireland, Cork Branch</mark> and watch the video. Share it with members of your family. This will really help you to identify and
	recognise the common everyday birds in your garden. This resource will give you a skillset that
	will last you a lifetime, free of charge! I might even ask you a few questions based on what
	you have learned from the video next Wednesday on our video call. Enjoy.

	I found a buzzard (bird of prey) on a country road one day recently. Despite being killed by a
	vehicle it was in remarkably good condition. I brought it home and took photographs and measurements. From it's plumage it is a male buzzard. It is just slightly smaller than a fully
	grown adult. You can see images of this buzzard on Teams. Check it out on Teams 😊
	Please Google: Woodland Trust Bird song identification: common songs and calls
	to be able to identify a small number of out feathered neighbours.

	I'm sure you'll be able to see and hear a robin.
