

## School work at home for Ms. Lane's Class

Week 8<sup>th</sup> -12<sup>th</sup> February 2021

Charleville CBS Primary

Hello boys,

I hope you all had a nice weekend and enjoyed the first week of Spring.

As we begin week five of online learning, I want to thank you for all the excellent work submitted last week and for working so well during our live lessons including our live chess tournament!

Please find the work for this week outlined below. Please try your best with the work. There is no pressure to get all activities completed but try to do as much as you can.

Please use Microsoft 365- Teams- Class Notebook to submit your work. You may use Outlook (email) for communication and clarification purposes. Please watch the following tutorial on how to upload your work: <https://youtu.be/HxBVOADPvro> If you have any issues using Microsoft 365, khan academy, read theory etc., please contact me. You have all the log in/usernames and passwords in your homework journal.

We will have two online classes this week using Teams again, I will notify you of the times for these via email. Well done to all the boys for logging on and engaging so well in the live lessons!! We will also have another live chess tournament.

The Cork GAA Rebel Óg have created some at home PE lessons for 5<sup>th</sup> and 6<sup>th</sup> class. The links to the videos are in the PE section. There are also links to virtual tours of the Dublin Zoo, Áras an Uachtaráin and Enniskillen Castle Museum in the History and Geography sections.

Answers will be emailed on Friday to help with corrections. I am so proud of all of you and am looking forward to being back in our classroom soon!

Please email me on [paulalane@charlevillecbsprimary.ie](mailto:paulalane@charlevillecbsprimary.ie) if you have any questions or need any further information.

Ms. Lane ☺
