Hello boys,

I hope you all enjoyed the two days off and get lots of fresh air and rest!

Thank you for all the excellent work submitted last week. I hope you all enjoyed the Wellness Week activities.

Please find the work for this week outlined below. Please try your best with the work. There is no pressure to get all activities completed but try to do as much as you can.

Please use Microsoft 365- Teams- Class Notebook to submit your work. You may use Outlook (email) for communication and clarification purposes. Please watch the following tutorial on how to upload your work: <https://youtu.be/HxBVOADPvro> If you have any issues using Microsoft 365, khan academy, read theory etc., please contact me. You have all the log in/usernames and passwords in your homework journal.

We will have two online classes this week using Teams again, I will notify you of the times for these via email. Well done to all the boys for logging on and engaging so well in the live lessons!! We will also have another live chess tournament.

Answers will be emailed on Friday to help with corrections. I am so proud of all of you and am looking forward to being back in our classroom soon!
