

## School work at home for Mr. Millane's Class

Week 9 8<sup>th</sup> March 2021

Charleville CBS Primary

Note from your teacher:

Hello boys. I hope you had an enjoyable weekend and looking forward to returning to school next week. As I said on the video call it is very important that you are staying safe before returning to school, washing your hands, social distancing and only meeting people from your house. We all want to be safe and healthy when we return.

Well done to everyone who is continuing to send me such great work. Continue using the class notebook to send in the great work you are all doing. It's great that all your work is kept together and stored in one place. If anyone has any questions or is unsure of anything regarding the notebook please send me an e mail and I will try to help.

<https://www.youtube.com/watch?v=HxBVOADPvro&feature=youtu.be>

This is a video that I have previously shared which will help if you are stuck on something.

Once you have work uploaded could you send me a quick e mail just to tell me that you have work sent in so I can correct it and return it.

There will be a liches tournament again on Monday at 10am. Here are the instructions from Br Ryan-  
**Lichess:** Log into Lichess before 10 am on Monday. Use your **username** and **password** for Office 365. On the top of the page go to **Community**. Then click on **Teams**. Then click on **Room7CBS**. Then Click on **Meier** in **Tournaments**. Don't forget to press the green **Join** button.

If you are late for the first games you can still join in. You will get a half mark for the game you've missed.

Thank you also to the boys that joined the video call on Monday and Friday. We will have 2 calls again this week on Monday at 12 where I will explain the work and again on Friday at 12 where I will correct some of the work. Please ask your son to look through the weeks work on Monday before the call so I can answer any questions that they may have.

I have broken maths, Irish and English into suggested activities for each day. You can follow this format if it is easier but there is no pressure to follow it if a different way works for you. I will upload the answers to mental maths and Busy at Maths to "Teams" the following day.

If you have any questions regarding the notebook, homework or need assistance in anyway, please contact me at [bmillane@charlevillecbsprimary.ie](mailto:bmillane@charlevillecbsprimary.ie)

RTE Home School Hub is continuing again from 10am to 12pm daily and there will be lots of useful lessons covered so I hope you all tune in and watch some of the lessons each day.

Continue with all the work you are doing boys and I look forward to seeing all the great work over the course of the week.
