Drama Game for the whole family to enjoy ☺

One Sentence Story

“This game requires focus, good listening skills and creativity. Sit in a circle or around a table. Nominate a person from the group to start the story. They may start it with... “Once upon a time...” and then each person takes it in turns to add only one sentence each to the story. So, for example:

Alice: Once upon a time...

Jack: There was a scary monster

Grace: And a princess

The rules are simple: You can take the story anywhere; you can't tell someone else what to say and your sentence has to roughly take the story forward.”

Oral Language Activity for the whole family ☺

Word Tennis

We have played this in school many times so enjoy playing at home.

How to play

- You have two players facing one another. Decide who will be A and who will be B
- Another person chooses a topic such as food.
- Person A says a word associated with food example bread and then person B must say a word. If there is a delay of 3 or more seconds the other person wins the round.
- You continue by choosing different topics.

There are lots of drama activities and oral language activities on Twinkl for you to check out. Twinkl have kindly made their website free for the month of January for parents.
